Re: Federation Advisory Boards and Base Grants Rules
Date: March 27, 2000

Attached you will find a summary of the comments the agency received in response to proposed rules regarding Federation Base Grants and Federation Advisory Boards. My comments and recommendations are interspersed in the document in bold.

Because rules must be implemented in a timely manner, I would ask you to make a decision on the suggested responses at your April meeting. This item is a scheduled action item in that meeting.
