Description: Pathfinder meetings and workshops

Narrative:

Those in attendance for the advisory board meetings are typically the public, member librarians and a representative from the library board of trustees with an average attendance of 30. Agendas are sent to all the public libraries and their board representative. Pathfinder business is conducted under the direction of the adopted bylaws and an elected trustee as chairperson. Library directors and board members are encouraged to car pool. Travel expense is reimbursed for one car to attend meetings at the current state rate of 44.5 cents per mile. The permanent host library (Choteau County Library-Fort Benton) is reimbursed \$400.00 for serving a lunch. These meetings create positive energy for networking among member libraries.

Ideally, there would be a training or CE opportunity at each of these meetings.

Evaluation:

Good attendance at the meetings and positive evaluations of any trainings or CE programs will assure that the programs and meetings are successful. Sharing information obtained at other CE opportunities will also be encouraged at the meetings.
