MONTANA PUBLIC LIBRARY
STATE AID STORIES
.....

Library State Aid funding increased in 2013 from 10 cents to 40 cents per capita. In 2017, this lifeline for libraries will end without legislative support.

Thanks to our additional State Aid, we now have a robust wireless internet connection in every area of our 66,000-square-foot library. The strength and reliability of the WiFi coverage enables greater use by individuals and groups who meet here. We increased coverage from one access point to 39 programmable wireless access points.
