MONTANA PUBLIC LIBRARY
STATE AID STORIES
.....

Library State Aid funding increased in 2013 from 10 cents to 40 cents per capita. In 2017, this lifeline for libraries will end without legislative support.

THE IMPACT OF INCREASED AID

.....
We collaborated with our Teen Advisory Board and our local hospital to create “Read to Your Baby” book bags filled with a new board book, finger puppet, Ready2Read Early Literacy information, and brochures about our library and programming. We gave the bags to new parents or parents-to-be. Our community gained awareness of what the library offers and the importance of early literacy.
