LEARN ABOUT MONTANA LAND INFORMATION

Wednesday, November 6 | 5:30pm

- 📍 SEARCH PROPERTY INFORMATION
- 📍 EXPLORE MAPS
- 📍 IDENTIFY LAND OWNERSHIP

Montana's Source for Geographic Information

Join the Montana State Library for an introduction to researching Montana land information with the Montana Cadastral tool: gis.mt.gov.

- Part One of the training will cover the three topics listed above.
- Part Two of the training will be an open session where attendees can practice the concepts they learned with guidance from Montana State Library staff and can ask specific questions about researching land information.

We encourage you to bring a laptop with the ability to access public Wi-Fi to this training. If you do not have a laptop, a limited number of laptops will be made available to use for the training.
