Goal one: Foster Partnerships

Partnerships are necessary to ensure that Montanans thrive. Through partnerships, MSL and those we serve will continue to move Montana forward.

Goal two: Secure Sufficient and Sustainable Funding

We have the funds and capacity to meet the expectations of our partners and Montanans.

We are an innovative, forward thinking, and fiscally responsible organization in fulfilling our mandates and meeting the expectations of our partners and Montana citizens.

Goal three: Create a Useful Information Infrastructure

Montanans have the information and library services they need to understand and influence change in their community.

Others follow Montana's model of open, transparent, cooperative information management practices.
