Produced by the Montana State Library in coordination with the Land Information Plan Sub667.9 Tmommittee of the Montana Land Information Advisory Coun9 Tmil

FINAL

Appr Tmovectember 6, 2012 by the Montana Land Information Advisory Council

Introduction and Overview

The Montana Land Information Act (MLIA) requires that an annual land information plan be prepared U priority

and community. This encourage a grass roots GIS approach in Montana, through solicitation of projects that leverage MLIA funds to collect, maintain and disseminate data and P(n\D0.85Qy)Qy.

biennium MSDI investment must again be substantially supported through MLIA. In FY14 MSDI Stewards will continue to document their needs and priorities as well as intended actions in an annual MSDI work plan.

Action Plan and Budget

Both specified tasks and grant categories
