

Missoula Public Library WiFi Hot Spot Lending/Circulation Policy

Our policy for MOBILE WI-FI UNIT and MOBILE WI-FI CORD is:

- Item Type: SPECIAL
- Home Location: MEDIA-CTR
- ItemCat1: EQUIPMENT
- Other: Non-holdable. Non-renewable. Not transited to Partner libraries.

For these, just as for our other limited-availability and high-demand equipment (e.g., Telescopes), staff select a custom due date based on the need of the user. We interview the user to see what their desired length of use is and override the due date to accommodate their request.

Currently, the circ rule for these assesses a 10 cent a day fine.
