

Training and Q&A Webinar

Montana Land Information Act Grant Program

Wednesday, January 22, 2020

10:00a-11:30a

A major enhancement to the MLIA Grant Program is the adoption of the state's Montana Grants and Loans online grant/loan management system, referred to as "WebGrants." The Montana State Library will be using the online WebGrants grant management system for the MLIA Grant Program's FY2021 grant cycle.

Please join us for this webinar to learn about the new features of WebGrants and changes to the MLIA Grant Application, including required templates. Please bring your questions to participate in the Q&A!

This workshop is highly recommended for all interested MLIA grant applicants!

Please direct MLIA Grant Program questions to MLIAGrants@mt.gov
