TO RESERVE A CONFERENCE ROOM

Reservations are recorded in the State Outlook Calendar. Each conference room has its own calendar that can be viewed by any person who has access to the State Outlook system. All information about reservations, including the meeting organizer and whether the desktop lab is needed in the Grizzly Conference Room is recorded on the calendar.

MSL staff, which for all future references includes Natural Heritage Program and Natural Resource Conservation Service staff: Reserve the conference rooms by sending a meeting invitation to the State Outlook Calendar. Staff who need the Grizzly Conference Room Desktop Lab and/or the polycom phone should note these needs in their reservation request.

Others who have access to the State Outlook Calendar: Reserve the conference rooms by sending a meeting invitation to the State Outlook Calendar. Staff who need the Grizzly Conference Room Desktop Lab and/or the polycom phone should note these needs in their reservation request. Administrative staff will tentatively access the meeting notice. Prior to approval, persons who wish to use MSL conference rooms will be required to complete and sign the MSL Conference Room Reservation Form (see Appendix A).

All Others: Contact MSL Administrative staff to request a reservation.

Carol Churchill: cchurchill@mt.gov; 406.444.5348 or Genevieve Lighthiser: glighthiser@mt.gov; 406.444.3384

Prior to approval, persons who wish to use MSL conference rooms will be required to complete and sign the MSL Conference Room Reservation Form.

Reservations are subject to room availability as outlined in the Montana State Library Conference Room Use Policy. MSL Administrative Staff will confirm the reservation status with the requestor.

For additional information on reserving the Grizzly Conference Room Desktop Lab see the MSL Desktop Lab Use Guidelines. **Conference room computers are only accessible to those with a c# and RSA.**

ADDITIONAL INFORMATION

Breaks: Breaks should be taken in the conference room, in the main lobby on the second floor of the Mazurek Building, or outside the building. Please be considerate of staff who may be working in the area.

Messages: MSL staff will deliver messages to conference room users only in an emergency. In the event that someone in a conference room needs to be notified of an emergency, please call 406.444.5348.

Refreshments: Refreshments may be brought in to the conference rooms. Drinking fountains are located by the lower level restroom and the lobby restroom. There are vending machines in the lobby of the building. The nearest cafeteria is in the basement of the Department of Public Health and Human Services building. **Please keep all refreshments inside the conference room.**

Restrooms: Restrooms are located on southside of the lower level, on the upper level hallway across from the reception desk, and in the main lobby of the Mazurek Building.

Staff availability: Staff is available to answer questions about the facilities and the MSL collections and services.

Telephone use: Telephones are available for use in the Bitterroot and Sapphire conference rooms. Meeting organizers may request a polycom phone to use in the Grizzly Conference Room. Organizers should request the polycom at the time a reservation is made.

Only MSL staff may make long distance calls from these phones. Staff is required to note the date, time and contact information for person placing calls made on conference room phones on the telephone log provided in the Bitterroot and Sapphire rooms and on the calendar appointment for the Grizzly room.

Others needing to use the phone for long distance calls should have outside parties call in.

Bitterroot Conference Room Telephone number: 406.444.0244

Sapphire Conference Room Telephone number: 406.444.0233

Please do not ask staff to use their work phones.

Cell phone use is permitted as long as it does not disrupt staff or conference room activities.

Photocopy services: Photocopy services are not available except for MSL staff.

When you leave: Please leave the conference room in the default conference room setup. Deposit all garbage in the wastebasket and wipe down tables if necessary.

MONTANA STATE LIBRARY DESKTOP LAB USE GUIDELINES

Core Hardware

The desktop lab available in the Grizzly Conference Room includes twelve (12) personal computers. MSL IT Staff is responsible for the installation and maintenance of MSL Core desktop hardware

Core Software and Configuration

- Windows 7 Professional
- Wireless connectivity to the Internet
- O365
- Adobe Acrobat Reader 7.0
- Enzip (freeware tool for creating and opening .ZIP files)
- ESRI ArcView
- SirsiDynix Workflows Client

Desktop Lab Scheduling

- Use of the desktop lab must be requested at least one (1) day in advance.
- When the desktop lab is requested, MSL Administrative Staff will notify the MSL IT Staff and will record this request in the meeting notice on Outlook calendar for the Grizzly Conference Room. This will notify MSL IT Staff when the lab is needed.
- For any other questions about the MSL Desktop Lab, please contact MSLITRequests@mt.gov.

Lab Setup

MSL staff that reserves the desktop lab will:

- Turn the rooms from conference to desktop lab setup prior to the scheduled lab use. Staff will turn on computers, log in, and test the wireless connections.
- Return the room to conference room style at the end of the scheduled meeting unless the next scheduled use also requires the desktop lab. The default room setup is conference room.
- Store the lab tables with desktops in their current location.

When the lab is reserved by persons other than MSL staff, the MSL IT Staff will:

- Turn the rooms from conference to desktop lab setup prior to the scheduled lab use. All computers will be turned on, logged in, and tested for wireless connections.
- Return the room to conference room style at the end of the scheduled meeting unless the next scheduled use also requires the desktop lab. The default room setup is conference room.
- Store the lab tables with desktops in their current location.
