Meeting ID: 813 2826 0378

Password: 070851

Dial in: +1 646 558 8656, +1 406 444 9999

Find your local number: <https://mt-gov.zoom.us/j/81328260378?pwd=VU1KREx5NVRWajV1NVAvblhFaUI6UT09>

Introductions

- For each attendee I call upon please announce your:
 - Affiliation/organization
 - Outlook on this TWG
 - Current role or uses of Cadastral
- Goals & objectives for this TWG

Current State of Cadastral / Assessment Plan Discussions

- The State's intentions/purpose
- Discussion amongst those with input
 - This will be a key topic in the Assessment Plan so we will circle back around when gathering input from the geospatial community.
 - The Current State Assessment will assist in identifying future CadNSDI/PLSS improvement areas
- Current method of identifying Future PLSS improvement areas
 - The "unreliable" PLSS Point Reliability Factor
 - Staff identified
 - Mostly either from patron input or by aerial photography inspection

New Items for April's Meeting

- Any new topics to discuss in April?
- Next meeting: Wed, April 20 @ 10:00am
 - Any interest in Missoula during the Big Sky GeoCon?
