

Ready 2 Read! PlaySpace

Guidelines for Block Play

PARENTS:

Please read these guidelines with your children.
Help your children enjoy safe, fun,
learning-filled block play!

YOU ARE A BUILDER.

Blocks are your building
materials. Do not walk on them,
crash them, or throw them.

Respect all structures.
Build no higher than
children's shoulders.

When you have finished,
put blocks back on the shelves.
Match block shapes to drawings
on the shelves.

Have fun!
